Date: 1st February 2022

Dear Member/Ex Member/Fancier

It has been a turbulent couple of years for most people within the Poultry fraternity, suffering a double whammy with the Covid 19 Pandemic, and now the Avian Flu is back again.

It is most important that all of us, who love our Poultry and our showing, give each other and our Club as much as support as we can. Things will get better!

As you will all know, the Young Stock show we hold in January had to be cancelled due to the Avian Bird Flu. We have managed to book Stanhope Hall, Horncastle for our main Spring Show. It will be held on the Sunday 24th April 2022, which is much later than usual in the hope the Avian Flu Restrictions will be lifted by then. This is a very Special Show which incorporates the Rare Breeds Show.

We would love to see entries from members and non members alike. A little prize money sponsorship has been obtained for this show, so there will be £30 for Best Rare Breed and £20 for Reserve Rare Breed. Main show will also have £30 for Best in Show, £20 for Reserve Best in Show, plus £10 for each winner on Championship Row and £10 for Best Pair/Goose/Turkey.

The AGM will be held on the 14th March 2022, when all the Officers and Committee Members are due to be elected. If you wish to apply for any of the positions, nominations are included with this letter, please forward to address above. They will also be available at the AGM meeting.

Nomination form will be available at the 14th February 2022 meeting. The February meeting will be a normal meeting with a short talk by Brian Anderton and something else yet to be arranged.

We hope to see as many friends of the E.E.P.C., at the meeting in February, as usual at the Revesby Village Hall, Revesby, Boston, PE22 7NA

Yours sincerely

Terry Marshall
Vice Chairman
